**How to start governing and using AI**

**New resource: Step-by-step governance guide**

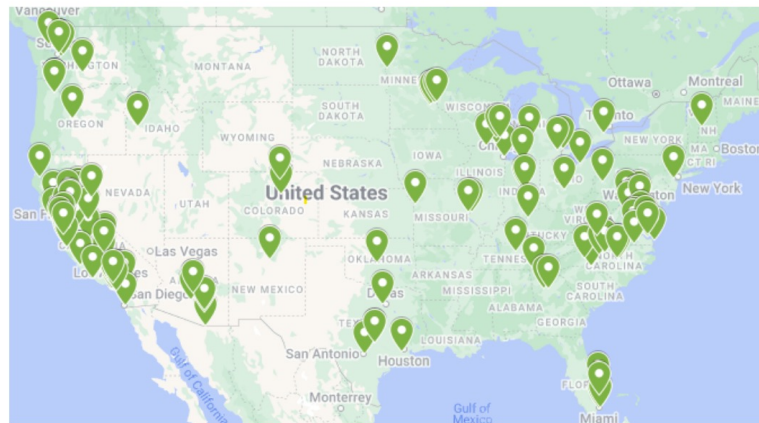

The Coalition has a lot of resources available for your agency - where to get started?

We'll walk through:

- How your agency can begin using the Coalition's templates and resources
- The people, processes, and templates that should be involved at each step

2-page quick-start guide 0:57 / 14:17

The Coalition's members represent agencies across the whole country.

# Government AI Coalition

Composed of over 600 public servants from over 250 local, county, and state governments that represent over 150 million Americans across the nation united in our mission to promote responsible and purposeful AI in the public sector.
