The US Content and Thought Leadership Value Event

For a decade, Mountain Connect has set a standard in the industry by bring together diverse stakeholders from the core of the internet to the edge. In 2024, for example, we set a standard by hosting 30 State Broadband offices at our conference and on our agenda. 2025 will be no different!

We focus on the tier 3 and below eco system, are technology agnostic and build our conference around our Exhibit Hall to drive meaningful networking opportunities. We believe in quality over quantity.

Join us at the beginning of our second decade at Mountain Connect where we help you collaborate, share ideas, innovate and more importantly, meet new customers and partners!

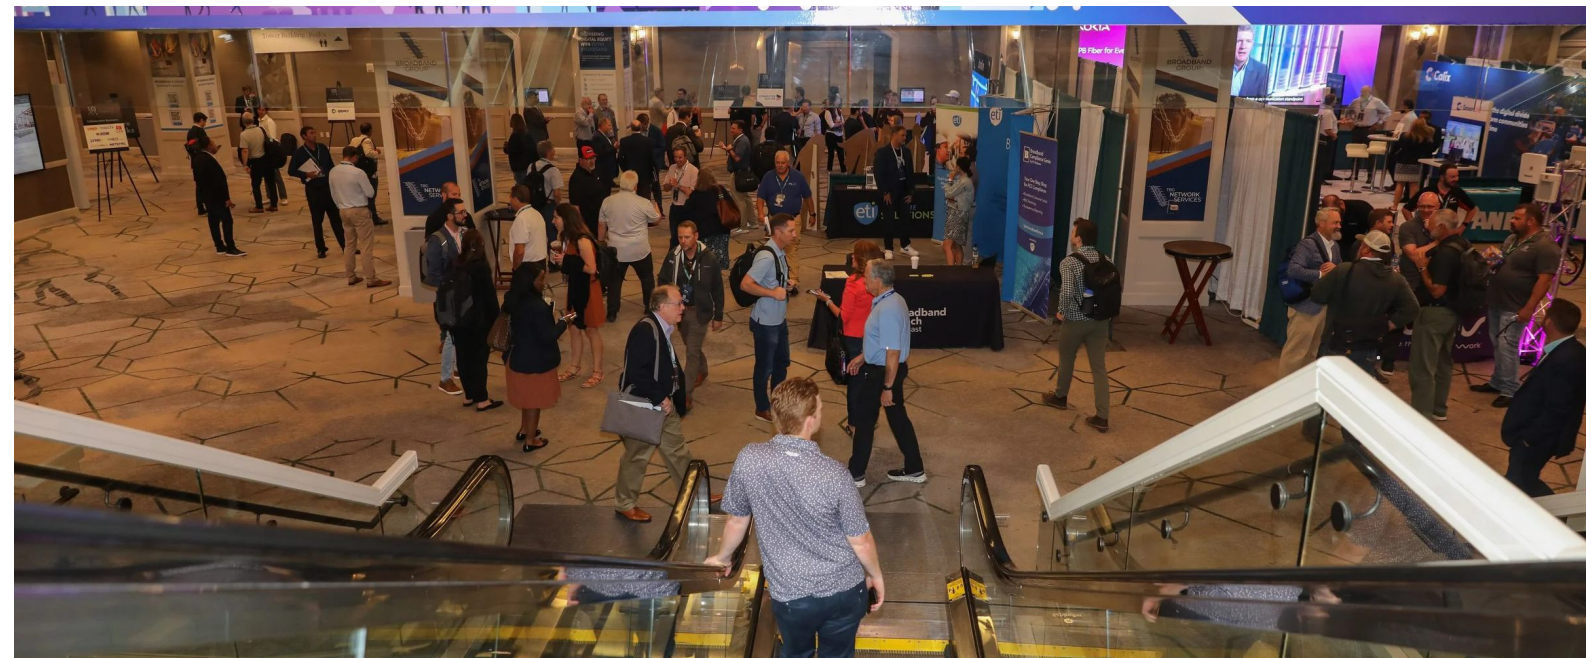

New Sponsorship Opportunities for 2025

- ✓ Wellness Lounge
- ✓ BrainDate Lounge
- ✓ Speaker Green Room

A Final Note: 2025 is a year for change. We are excited to announce a new logo and website as we enter our second decade. Further, we are including a new conference app and a new Exhibitor and Speaker management system(s) to create ease of use and efficiencies for our customers. More announcements coming soon!

We bring together a diverse ecosystem of broadband advocates, pioneers of industry and thought leaders where Sponsors and Exhibitors can:

- Gain prominent exposure to industry leaders
- Engage with a highly relevant audience
- Position your company as thought leaders
- Build meaningful connections, from policymakers to providers
- Demonstrate your latest product innovations and solutions in a dedicated space
- Gain insights into emerging trends & opportunities
- Differentiate your brand
- Position your company as thought leaders
- Leverage your presence
- Align your brand with efforts to expand broadband access and bridging the digital divide

Prepare for a transformational event. Secure your **sponsorship** today!

Our Attendee Makeup

Beyond the industry leading State Broadband Office participation, Mountain Connect has a very diverse attendee makeup as we focus from the core to the edge and are technology agnostic to the technologies delivering broadband. You can expect ***decision makers*** from the following to be in attendance:

- Network Operators Serving all Broadband Technologies
- Local, Regional, State, Federal Governments
- Data Center/Internet Exchange Facilities
- Infrastructure Providers
- Healthcare
- Education
- Emerging Technology Innovators

Golf Hole Sponsor	18	\$350

Braindate Lounge Overview

What is Braindate?

Braindate is a web-based app that mobilizes events' participants' knowledge, resulting in 1:1 or small group peer-learning conversations. We envision a bustling hub, that will reconnect participants with the original purpose of the event: bringing people together to connect and learn from one another. This will be integrated into our new CrowdComms conference app.

What is a Braindate?

Braindates are user-generated and topic-driven conversations booked amongst participants on the Braindate platform or curated by the Sponsor of the Lounge.

Why Should You Sponsor?

1. The Braindate Lounge will be gated and managed by onsite Braindate concierges to ensure the integrity of the room and appointments booked within.
2. We will work with Braindate on the furnishing of the Lounge to setup diverse seating areas for individual and small group meetings.
3. The Sponsor will have real-time access to a dashboard to monitor total participants, topics, invitations, one on one braindates, group braindates, etc.
4. The Sponsor, or Sponsors, will have the opportunity to curate all topics. We recommend considering a partnership approach to the lounge.
